

# *Merry Christmas and a Fruitful New Year!*

To family and friends around the world in sunshine or in snow!

We received a Christmas e-card last week from an airline company saying "Let's celebrate arrival!" Of course it mentioned all kinds of arrivals except for the main arrival of the Christmas season; the arrival of the King two thousand years ago. This arrival changed the world! May we continue to celebrate His arrival and allow His Kingship to rule in our lives. Let's enter 2011 with great expectation!

Love,

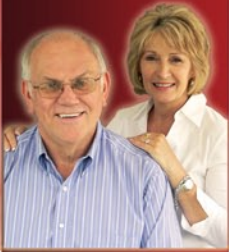

*Tony & Marilyn*

### *Not a Coincidence...*

As this Heart Copy coincides with the issuing of AC Talk in which I wrote the main article, I will not write another article but just share on a few practical matters. But before doing that I want to thank you all for all your commitment to the Kingdom of Heaven during 2010. It's been a good year for us as a Cluster, advancing the Kingdom in many nations. I will update you in more detail when we meet for Cluster times in the first part of 2011.

We are leaving the USA for Australia on January 1, returning March 7. We are looking forward to serving what God is doing in that part of the world in our cluster and building apostolic contacts across the nation.

We have not included our schedule in this edition but will let you have details before March for our scheduling after Australia.

THE ADVANCING KINGDOM SERIES  
A Biblical Overview of the King and His Kingdom

# *You're Invited...*

Dear USA Leaders,

On behalf of the Leadership Team of the USA part of the Makarios Cluster we hope this e-mail finds you well and that you have had a great fall. It is hard to believe that 2010 is almost over. While it has had its challenges, we believe 2010 has positioned us for a great 2011.

As you know, for the past several years we have had our 20 hour leader's gatherings at or near our hub churches in Carthage, Latham, and Richmond. These meetings are open for all leaders in our USA Makarios Cluster. These meetings have been very successful and we are looking forward to more of these. And while these have been great, it is our heart to see more cross pollination between all the churches and our leaders.

To that end, we have made the decision that once a year we are going to hold our leaders' meeting at a central location. It is our hope to see as many of our leaders from all the churches gather together for fellowship, training, and relationship building. If we are going to move forward as a cluster, then we must move together in unity.

So, the last weekend in March 2011 we are going to be gathering in Columbus, Ohio. The dates are Friday – Sunday, March 25 – 27, 2011. Columbus is fairly centralized for all 3 hub churches, it is drivable in one day for everyone, and it has a decent sized airport where people could fly if they so desired. We will close with a short meeting on Sunday morning and get everybody on the road as soon as possible. Final details are in the works and we will get these to you shortly.

This is our personal invitation to you to come and be a part of our wider COTN Cluster Family. We are asking for you to make this meeting a priority. We know costs are an issue for all of us so let's believe together for the finances to attend. Perhaps our Church in the Houses could sponsor the leaders/elders; perhaps our churches could help sponsor other leaders. Either way, we hope you will make this meeting a priority.

Again, thank you for all you do but more importantly thank you for who you are. It is a joy to serve you and to serve alongside you!

With much love and kindness,

Mike Morgan on behalf of the  
USA Makarios Cluster Leadership Team

## Equipped to Go...

We are excited to announce that 2011 will see the launch of a USA based training center to serve our cluster life and all others who would find it beneficial.

The training center will be based in Carthage, MO and linked closely with BYKOTA Church our COTN hub in the mid-west. The center will host short-term courses on a variety of fields from Arts, Media, Photography, Music/Worship, Marketplace, Kingdom Planting, Fathers and Sons, and much more all designed to further the influence and advancement of His Kingdom here on Earth.

An excellent residential property has been provided for this purpose. The center will be administered by David and Rhonda Lettow.

The first course will be hosted by Tony in early August 2011, and the details will be forthcoming as soon as they are available.

We will be seeking input from gift ministries among us as we work towards the development of the center. We want this to move forward only at the pace the Lord desires for us, however, wanted you all to know of these beginnings.

Please pray with us, and also consider if you or your churches might want to partner with us to see the launch of this training center come to fruition.

Tony will update and give opportunity for questions at Cluster times.

## Hats Off!

"Professor" Drew celebrating daughter Lindsay's (22) graduation at Trinity College Dublin, Ireland in early December. Drew has also just completed his MA (Landmarks of Western Thought)

Congratulations to both of you on a monumental year!
